SCHACHTTÜRMECHANISMUS

LANDING DOOR MECHANISM

MECHANISMUS AMDL

MECHANISM AMDL

Merkmale

AMD ist ein Türsystem für Anwendungen aller Art; vom Wohnhaus bis zum hochfrequentierten Bürohochhaus oder Hotel. Der modulare Aufbau ermöglicht es, das AMD Türsystem auf den jeweiligen Einsatzzweck optimal abzustimmen.

Die kompakten Einbaumaße sind ein weiteres Merkmal dieses Türsystems, das hohe Flexibilität gewährt – auch für die Aufzugs-Modernisierung.

Eine durchdachte Konstruktion und der Einsatz von aus-
gesuchten Komponenten bringen viele weitere Vorteile wie:

- Modularität: Kombination von AMDL-R1 und AMDL-R2 an einem Aufzug möglich
- Umfangreiches Programm mit 6 Türtypen
- Weltweite Verwendbarkeit: AMD erfüllt z. B. folgende Normen: EN81, CSA NRTL/C, AS1735.2, Hong Kong code of practice
- Geringe Anzahl von Teilen und damit vereinfachte Ersatzteilhaltung sowie erhöhte Lebensdauer.

Lieferumfang

- Mechanismus mit
Schachttürschloß
Schachtrolleneinheit
- Halogenfreie Verkabelung (Option, nur für R2)
- Schutzart IP54 (Option, nur für R2)
- Betriebsanleitung

Die Angaben in diesem Prospekt dienen nicht der Projektierung. Hierzu verwenden Sie bitte unseren technischen Katalog.

Features

AMD is a door system which can be used for any kind of application, from residential buildings up to highly frequented office buildings and hotels. Due to the modular concept it is possible to adapt the AMD door system optimally according to the respective application.

The compact build-in dimensions ensure high flexibility especially for elevator modernisation purposes.

Well thought-out design and the use of selected materials result in many additional features like:

- *Modularity: Various combinations between drives and railings*
- *Extensive Range with 6 door types*
- *Global product: AMD meets, for instance, EN81, CSA NRTL/C, AS1735.2, Hong Kong code of practice*
- *A small number of parts result in a reduced stock-keeping of spare parts and a highly increased lifetime.*

Content of Supply

- *Mechanism including
landing door lock
landing lock roller*
- *Halogen free cables (option, for R2 only)*
- *Protection class IP54 (option, for R2 only)*
- *Operating instruction*

The data contained in this brochure do not serve project planning purposes. For this, please refer to our technical catalogue.
